IEOM Society is organizing the Fifth International Conference on Industrial Engineering and Operations Management to be held at Hyatt Regency Dubai - March 3-5, 2015. The conference will provide a forum for academics, researchers and practitioners to exchange ideas and recent developments in the field of Industrial Engineering (IE) and Operations Management (OM). The conference fosters networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as identifying major trends in Industrial Engineering and Operations Management.

All full papers will be subjected to double blind peer review. Accepted papers will be published in the CDROM Proceedings and indexed in INSPEC and EBSCO. The proceedings will be also submitted for indexation by Scopus and Ei Compendex. Selected conference papers will be published in the special issues of international journals.

Authors can submit full paper(s) or abstract(s) only. IEOM Society encourages to submit full paper(s). Please follow the IEOM paper template for full paper or abstract only submission. Both categories will be published in the conference proceedings.

All papers and abstracts must be presented to be fully published. The Global Engineering Education, Industry Solutions, Poster Session, and Exhibitor presentations will be part of the IEOM 2015 Dubai Conference.
